

Hand-drawn weather map of the North Pacific region, showing pressure systems and fronts. The map includes labels for 'LOW' and 'HIGH' pressure areas, with 'HIGH' written in large red letters. Contour lines are drawn with solid and dashed lines, indicating pressure gradients. The map covers the area from approximately 120°E to 120°W and 20°N to 50°N. A handwritten note at the bottom left reads 'Sat. 10 May 1912'.
